

# Robert Kresson

Referred to by media as “The Country’s Top Counterespionage Investigator” Private Investigations, & TSCM Expert.

37 years as a private investigator. As the CEO of Empire Investigation LLC we work with individuals and corporate clients worldwide providing outside of the box solutions.

Featured in the Saudi Gazette as one the USA’s top counterespionage TSCM investigators. Major media refers to me as the leading authority on investigation and surveillance. Fox TV said “the real-life James Bond.” Pittsburg Tribune Review said, “Kresson can convert anything into a one-man spy kit.”

Specialize in customizing the most sophisticated cutting edge surveillance technology in the world and our International Expert Private Investigators obtain the most sensitive information competently and discreetly.

- ✓ Licensed detective agency since 1982
- ✓ Experience in high quality, confidential, resourceful exploration and expert analysis of a broad range of issues
- ✓ Sophisticated and discrete private investigation services to clients throughout the world
- ✓ Helping clients achieve diverse objectives through human intelligence, behavioral analysis and state of the art technology
- ✓ Cutting-edge equipment innovation that responds to a constantly changing surveillance countermeasure environment

Have been featured on ABC, NBC, CBS, Fox-TV, and Pittsburgh’s WPXI Channel 11 and WTAE Channel 4.
